## 3D Systems Exhibits at Eurostampi

- Largest Rapid Manufacturing & Mold Making Event in Italy -

**ROCK HILL, South Carolina – March 22, 2011** –3D Systems Corporation (NASDAQ: TDSC), announced today that it will showcase its latest personal and professional 3D printers along with its expanded European menu of 3Dproparts™ custom parts services at Eurostampi 2011, March 24<sup>th</sup> – 26<sup>th</sup> at the Parma Fairgrounds, Parma, Italy in Hall 6, Stand J02.

3D Systems will exhibit its entire personal and professional [3D printer](#) portfolio, including its recently announced [ProJet™ HD3000 Plus](#). In line with its growing commitment to deliver affordable 3D content-to-print solutions, the company also plans to demonstrate its sub-\$10,000 V-Flash® 3D printer. Attendees will experience the latest capabilities of [3Dproparts™](#), the fastest growing global custom parts network, including rapid prototyping, manufacturing and rapid tooling capabilities.

“We are delighted to share our growing portfolio of personal and professional [3D printers](#) and [3Dproparts™](#) services with Eurostampi attendees,” said Francesco ‘Giorgio’ Buson, Director, 3D Systems Italy. “As we mark 25 years of innovation, we continue to demonstrate our commitment to accelerate adoption and democratize access to affordable, exceptional quality 3D content-to-print solutions.”

## **About 3D Systems Corporation**

3D Systems is a leading provider of 3D content-to-print solutions including 3D printers, print materials and custom part services. Its expertly integrated rapid prototyping and manufacturing solutions reduce the time and cost of designing new products and printing real parts directly from digital input. These solutions are used to design, communicate, prototype and produce functional end-use parts; customers create with confidence.
