## 3D Systems Expands Its 3D Printer Online Presence

- New Website to Become the Source for Personal,  
Professional and Production Printers -

**ROCK HILL, South Carolina – July 28, 2010** - 3D Systems Corporation (NASDAQ: TDSC), announced the immediate availability of a new dedicated website designed to democratize access and accelerate adoption of its complete line of 3D Printer solutions [www.Printin3D.com](http://www.Printin3D.com). The new site integrates [3D Systems](#) printer web properties, including [Desktop Factory](#) and [Modelin3D](#), into a contemporary, intuitive destination serving customers, prospects and partners with a secure, 24-hour online presence.

“We are pleased to offer to our user community a totally new and compelling online destination that showcases our entire portfolio of [3D Printer](#) solutions,” said Cathy Lewis, vice president, global marketing for 3D Systems.

For a chance to receive a complimentary 3D model or a sample print from your own design, just register at [www.Printin3D.com](http://www.Printin3D.com).

[Printin3D.com](http://Printin3D.com) was developed for the company’s extensive base of 3D Printer users, its network of authorized channel partners and for new users of 3D Printer solutions. Visitors will find the knowledge, tools and solutions required to help them solve their design-to-manufacturing challenges.

## **Forward-Looking Statements**

Certain statements made in this release that are not statements of historical or current facts are forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. Forward-looking statements may involve known and unknown risks, uncertainties and other factors that may cause the actual results, performance or achievements of the company to be materially different from historical results or from any future results expressed or implied by such forward-looking statements. In addition to statements that explicitly describe such risks and uncertainties, readers are urged to consider statements in the conditional or future tenses or that include terms such as "believes," "belief," "expects," "estimates," "intends," "anticipates" or "plans" to be uncertain and forward-looking. Forward-looking statements may include comments as to the company's beliefs and expectations as to future events and trends affecting its business and are necessarily subject to uncertainties, many of which are outside the control of the company. The factors described under the headings "Forward-Looking Statements," "Cautionary Statements and Risk Factors," and "Risk Factors" in the company's periodic filings with the Securities and Exchange Commission, as well as other factors, could cause actual results to differ materially from those reflected or predicted in forward-looking statements.

## **About 3D Systems Corporation**

3D Systems is a leading provider of 3D Printing, Rapid Prototyping and Manufacturing systems and parts solutions. Its expertly integrated solutions reduce the time and cost of designing products and facilitate direct and indirect manufacturing by creating actual parts directly from digital input. These solutions are used for design communication and prototyping as well as for production of functional end-use parts: Our customers Create With Confidence.
