## 3D Systems' CEO Keynotes AsiaUSA™ Forum

- Innovation and 3D Printing Tops List for Region -

**ROCK HILL, South Carolina, November 2, 2011** – 3D Systems Corporation (NYSE:DDD) announced today that its President and Chief Executive Officer, Abe Reichental, will present a keynote address “Create With Confidence” at the annual AsiaUSA™ Forum sponsored by Credit Lyonnais Securities Asia (CLSA) and held November 7 – 9<sup>th</sup> 2011, at the Palace Hotel in San Francisco, California.

This year’s forum, “Innovation and AsiaUSA™ connectivity – The next leg of growth,” will attract over 500 institutional investors from 14 countries along with hundreds of senior executives from leading Asia-Pacific and US companies looking to leverage the commercial prospects in the region. [3D Systems](#), the leading 3D content-to-print solutions provider, will also demonstrate its latest color 3D printers including the [ProJet™1500](#) and the affordable [3DTouch™](#) starting at \$3,900 USD.

“I am grateful to participate in this prestigious investor and business forum,” said Abe Reichental, President and CEO of 3D Systems. “The Asia-Pacific region represents significant growth opportunities for CLSA attendees and 3D Systems alike.”

### **About 3D Systems Corporation**

3D Systems is a leading provider of 3D content-to-print solutions including 3D printers, print materials and on-demand custom parts services for professionals and consumers alike. The company also provides creative content development, design productivity tools and curation services and downloads. Its expertly integrated solutions replace,

displace and complement traditional methods and reduce the time and cost of designing new products by printing real parts directly from digital input. These solutions are used to rapidly design, communicate, prototype and produce functional parts, empowering its customers to create with confidence.

More information on the company is available at [www.3DSystems.com](http://www.3DSystems.com).

### **About AsiaUSA 2011**

The AsiaUSA™ Forum provides a one-stop venue for investors to compare how U.S. and Asian companies are leveraging the commercial prospects in Asia. CLSA has invited senior executives from more than 100 companies in both regions to share their strategy on tackling the huge market opportunities in the East and how they plan to come up with the next great idea to gain a competitive edge.

More information about AsiaUSA™ is available at [www.clsa.com](http://www.clsa.com).
